### **Production Apprenticeship Level 3 BBC Introducing**

An apprenticeship at the BBC gives you the opportunity to kick-start your career in a job you'll love. We're the industry leaders in early careers and are committed to your skills and talent development. As one of the world's most creative and technologically advanced organisations for the last 100 years, an apprenticeship at the BBC means the opportunity to learn from the most respected and experienced professionals in the business.

The Production Apprenticeship Scheme helps you to gain experience with our BBC production teams across the UK, making world-class content for our audiences on radio, TV or digital platforms. You'll learn on-the-job as part of a BBC production team, developing your knowledge and skills in an area that interests you, while working towards your Production apprenticeship qualification with one of our learning providers.

You'll learn a wide range of skills and gain a breadth of real-life experience which may include helping to develop ideas and stories; learning how to use technical equipment and specialist software; assisting your team on location/in studio; finding guests and participants; researching content; creating content for social media; helping out/'running' on the studio floor; in a TV gallery or in a radio studio. All the while, you'll be learning content-making skills from experienced production team members as well as expert BBC trainers.
