CSW Group Transition Support

Young people with an EHCP can request support with information around transition [Home - CSW Group Ltd.](#)

Supported Internships

Currently 5% of young people with learning difficulties and autism find paid employment. We are working to change this and one route to employment is through a Supported Internship.

Placements available across Cornwall with a number of education providers- [Supported Internships \(cornwall-opportunities.co.uk\)](http://cornwall-opportunities.co.uk).

Supported Internships are available for young people with an EHCP, are based in the workplace with support from the education provider and job coach.

There are many employers who can offer supported internship, across many sectors. Watch this video hear about NHS Supported Internships-

Apprenticeships

Students with a learning difficulty or disability have rights that protect apprentices against discrimination.

[Support for apprentices with a learning difficulty or disability \(apprenticeships.gov.uk\)](https://www.apprenticeships.gov.uk)

Extra support can be provided to apprentices if they have:

- learning difficulty
- disability
- physical or mental health condition

The employer and training provider should review reasonable adjustments throughout the apprenticeship. Employers also be able to claim financial support towards the reasonable adjustments through Access to Work (see below).

Access to Work

Access to Work is a government scheme that offers grants to apprentices to help them pay for any reasonable adjustments they need. You could be eligible for a grant if you have a:

- disability
- health condition
- mental health condition

The support you get will depend on your needs. You could get a grant to help pay for things like:

- [british sign language interpreters, lip speakers or note takers](#)
- adaptations to your vehicle so you can get to work
- taxi fares to work or a support worker if you cannot use public transport
- a support worker or job coach to help you in your workplace

Read more about [Access to Work](#) and find out how you can [apply for support](#).

YEP! Youth support.

If a young person living in Cornwall aged 16-24 is not in education employment or training (NEET) or is at risk of becoming NEET then they are eligible for support from the UKSPF funded project.
